I think I had a slightly different edit.

I just sent you some edits moments ago.

Thanks, Tom. Most of these edits look good, although I don't agree with the highlighted portion of this rewrite:

Ex. 5 - Deliberative

Also, I am working to flesh out the options (with pros and cons) now that the R10 RA is hoping for. Per your other comments:

Ex. 5 - Deliberative

Hi Don and Lynda here are comments and a few Qs. I see that Lynda has ID'd a couple of gaps that need to be filled. Since we're going to Ken soon after Benita, have gone ahead and provided some fairly detailed line edits. Let me know if these are a problem. Thank you,

Jim (cc Eric & Chris),

There has been a significant development in the long and winding road to finalize a decision regarding federal approval or disapproval of Oregon's Coastal Nonpoint Program under CZARA, **Ex. 5 - Deliberative**
Ex. 5 - Deliberative Lynda Hall and I think it would be good to have someone from your branch attend our briefing with Benita this Wednesday, if at all possible. I can explain more over the phone.

The briefing with OWOW/Benita is this Wednesday, 12/3, from 1 to 1:50 PM in the Rappahannock Room (DCRoomWest7129/DC-CCW-OWOW) **Non-Responsive**

Tom,

Here is a first draft set of materials for the OR CZARA briefing for your review. The meeting with Benita is weds. and the meeting with Ken is requested for the following week.

This is still a work in progress. Over the next couple business days Don will:

-confirm OW's requested briefing format and make any format changes as needed

Ex. 5 - Deliberative

- develop a brief attachment (in case there is a question during the briefing) of the technical deficiencies in OR's program relative to the CZARA management measures

Look forward to your feedback. I'll be out Monday and Tuesday but accessible. Don will be available to keep making progress on the briefing.

Thanks,
Lynda
